Opal, Confidence, Creativity

These disruptive energies have been going on for quite some time, so why the interest in clearing them now?

The body has an innate ability to protect itself from foreign materials and energies by stashing them away so the body can function as best as possible. After awhile of continual bombardment, it becomes difficult for the body to store and protect. That's when we begin to have difficulty functioning efficiently - and we notice it in how well our body functions, in our motivation, clear thinking, and our ability to express our magnificent Divine Love within. Life becomes gradually more and more of a struggle and without realizing it, we become more stressed and dysfunctional.

Nourish Life Disc

(Resonance Enhancer for Food and Water and MORE!)

(6" Indigo Acrylic Disc)

*Awaken the natural resonance of the "Rainbow of Life" in food and water.
Assist in activating the ionic charge or spark of life in each cell.*

The *Rainbow of Life* is referred to by many as the amount of life force energy within something. This life force energy is the electrical charge and magnetic resonance at the atomic level, which determines the amplitude of electro-magnetic field a substance has. In the presence of even minor negative

emotions, a disharmonic substance can actually diminish the *Rainbow of Life* at a cellular level. We have an electro-magnetic body that only functions efficiently in the full *Rainbow of Life*. **It only makes sense that the water and food we consume should enhance this *Rainbow of Life* - our life-force energy, rather than diminish it.**

Is there ANY "Rainbow of Life" left in our food or water?

- *Food may be processed, refined and enhanced with additives and preservatives.*
- *Nourishment from food diminishes because of lengthy travel time before reaching stores.*
- *Fluorescent lights may deteriorate the Rainbow of Life in food and water on store shelves.*
- *Microwaved and overcooked food minimizes or eliminates what little nourishment is left.*
- *Can the body function properly without the Rainbow of Life?*

"Throughout the day, the average person is confronted with a variety of disharmonic thoughts, energies and actions. Each time you become frustrated, irritated, confused, sad, angry, disappointed or worried, you begin to shut down and suppress the *Rainbow of Life* in your heart and throughout your body. Reawakening the Divine Love and restoring the *Rainbow of Life* throughout your being makes all things possible: health, vitality, inspiration, expression and manifestation. It is the 'mosaic of beauty' in your life." *Symmetry* ♥

To help restore the Rainbow of Life in WATER, place Nourish Life Disc:

- Under container of water for 15 minutes or more as desired.
- In bath or hot tub.

To help restore the Rainbow of Life in FOOD or BEVERAGES, place Nourish Life Disc:

- In refrigerator or pantry for 15 minutes.
- On counter with groceries, soda, plate of food, microwaved food, apple, etc. for 5-15 min.

Cooking restored food does not eliminate the resonance, however heat speeds up the release of the resonance, so leftovers should be placed on the *Nourish Life Disc* before eating.

NOTE: Transformation of food and water lasts approximately 24 hours. Re-awaken the Rainbow of Life by placing on *Nourish Life Disc* for 5-15 minutes or more as desired.

CAUTION: Do not place Hot Food or Hot Beverage directly on *Nourish Life Disc*. Place a hot pad on Disc and then hot food or beverage on the hot pad.

To enhance your pet's vitality, place Nourish Life Disc: • Under blanket in their bed.

As food and water (that has been placed on the Nourish Life Disc) enters the body, the amplified Rainbow of Life that is now present in that food and water, creates a nourishment that helps to open the energetics of the heart, allowing the Divine Love and Rainbow of Life to be carried throughout the digestive system and circulatory system, activating the natural charge in the minerals that helps create that spark of life in each cell. ♥

On Sale June 2015 - Only \$159.00! (reg. \$225.00)

Ruby Vital Life Discs

***Have you ever felt the despair of loss; the emptiness, unbalance, insecurity, pain?
Whether this loss is a loved one, a job, finances, a home, etc.
- the ache from the memory never seems to go away.***

In the 1990's, neuro-scientists and neuro-cardiologists discovered a "Brain in the Heart". Comprised of more than 40,000 neurons of various types, along with a complex network of neurotransmitters, proteins, and support cells, it acts independently of the head. This "heart brain" is as large as many key areas of the thinking brain and sufficiently sophisticated to rate as a brain in its own right. This network is an independent nervous system with two-way brain communication.

Heartbeats aren't just mechanical pump pulses - they have an intelligent language that influences how we perceive and react to the world. Each heartbeat is linked to the thinking brain and affects both branches of the autonomic nervous system, continually influencing our perception and awareness. With every heartbeat:

- There is a neural cascade - a firing of neurons and related nerve cells in the heart that is instantly relayed to the head brain via the vagus nerve and spinal nerves.
- There is a pressure wave that travels thru the arteries many times faster than the actual flow of blood. Pressure wave patterns vary with each intricate, rhythmic pattern of the heart.
- The heart's electromagnetic field permeates every cell in the body plus radiates out and can be measured 8-10 feet away.

Is it any wonder that the "heart ache" of loss affects the entire body, mind and emotions?

Perhaps the memories cannot be eliminated (and would we really want them to be), but the electrical charge of pain may be subdued and a new set of neural cascades and pressure waves be created in alignment with the Essence of Unconditional Love to restore your sense of well-being, security, understanding, compassion, awareness and confidence.

Introducing the Ruby Vital Life Discs to assist you!!

(1 1/2 inch round clear acrylic discs with an etched deep ruby logo.)

Wear them in your pockets, your bra - put them in the bath with you - place them under your feet in a foot soak - therapists, place them on the body of your client where intuitively guided!

Fill your being with the essence of Unconditional Love to assist in forgiving the negative situations in your life. Let go of that which no longer serves you and begin to move forward out of despair into peace, joy and fulfillment.

Suggested Use for Ruby Vital Life Discs and AWAKEN Liquid Formula:

The Ruby Vital Life Discs have lifted the pain from my heart and allowed me to sing and dance again in the shadow of beautiful memories. A.W.
