Tired and run down? Feeling unfulfilled or less than whole? PMS or Hot Flashes?

Everyone can use a little Harmony!

Harmony

Harmony is designed to stimulate the natural movement of the harmonic energy within the energy centers and the blood. The heart and glands are energy centers. Imbalances in these energy centers lead to physical imbalances in mineral absorption and hormone distribution creating emotional distress and premature aging. *Harmony* assists the heart and proper blood flow through the body.

Harmony is the essence of empowerment.

Harmony = Passion for Life!

Harmonizes:

- *Powerlessness, anger*
- *Disappointment*
- *Limitation*
- *Emptiness*
- *Emotional distress*
- *Patterns of chronic or premature aging*

Energetically Assists:

- *Self-esteem*
- *Fulfillment*
- *Determination*
- *Attracting true desires*
- *Glandular balance*
- *Circulation of fluids*

Try this for one month and see how it changes your life!

4 times a day - place 5 drops *Harmony* under your tongue or in water plus put 1 drop inside each of your shoes or on soles of your feet.

Other Suggested Uses

To promote a restful sleep: Place 5 drops under your tongue at bedtime.

To relieve the stress of hot flashes: Add 5 drops to a glass of water and sip.

Enhance youthful beauty to skin: Use directly on wrinkles and age spots or add to face cream or lotion.

Testomonies:

- *“I stand on my feet all day. I put drops of Harmony in my shoes. Amazing - my feet and legs stopped hurting!”*
- *“I was having a hot flash. I drank a glass of water with 5 drops Harmony. Before I could finish, my hot flash was gone.”*

“When the body is out of natural harmony, a person may feel out of control and “less than”.

to help bring *Balance* and stability in the systems of the body!**
